

A technical drawing of a connector housing cross-section. The drawing shows a central rectangular cavity with a square feature on its top surface. On either side of this central cavity are two groups of four vertical rectangular slots, totaling eight slots. The entire assembly is enclosed within a rectangular frame. The text 'molex_EDGELOCK_8-CKT' is printed across the middle of the drawing, with 'EDGE' highlighted in yellow. Below the drawing, the text 'Chamfer 30 degree 0.5 mm' is written in blue.
