

A detailed PCB layout diagram of an SD card. The card is rectangular with a pink border. At the top, there are ten gold-colored contact pads. A central rectangular area is filled with diagonal hatching and labeled "Copper Keep Out" in blue. Below this, the text "SD_Kyocera_145638009511859+" is printed in black, with "145638009511859" highlighted in yellow. Below the ID number, "REF**" is printed in black. The bottom half of the card features a large, rounded rectangular cutout. On the left and right sides of the card, there are two small, dark brown rectangular pads. At the bottom of the card, there are two small circular holes, one on each side. The entire card is mounted on a larger, light gray rectangular base.
